

# Systemic Design Community of Practice

## Fall Series 2019

**September 19**

### **ELEVATE Workshop**

*Community of Practice members lead activities in a safe-to-fail, supportive space.*

**October 29**

### **From Systems to Services**

*An introduction to service design.*

**November 19**

### **The Inner Designer: Mindset**

*Explore ways to tap into your inner designer when approaching complex challenges.*

**December 10**

### **Policy as a Service**

*Exploring the practice of service design as it relates to policy.*

**January 21**

### **Hacking Service Design**

*Make a New Year's resolution to set the conditions for service design in your work.*

**All sessions take place at CoLab in the afternoon.**

**11th Floor, 9942 - 108 Street | Edmonton**

**RSVP Required.** Please visit our website for registration information.  
Admission is free and open to all Government of Alberta staff.
