Systemic Design Community of Practice

Fall Series 2018

Wednesday, October 24, 2018

Practicing Perspective

Exploring the concept of perspective as it relates to systems, we will look at ways to enable multiple perspective-taking using integrative thinking.

Friday, November 16, 2018

Talking Systems

How to see and identify common patterns in conversations in order to accelerate a group's progress in systemic design sessions.

Tuesday, December 11, 2018

Community Feedback Session

A space for CoP members to test and trial in a safe space, gaining feedback and support from fellow systemic designers.

All sessions take place at CoLab from 1:30 p.m. to 4:30 p.m.
11th Floor, 9942 - 108 Street | Edmonton

RSVP Required. Please visit our website for registration information.
Admission is free and open to all Government of Alberta staff.
