| Joey | And I'm still right. | |
| Monica | So not true! | |
| Rachel | What? | |
| Joey | She's mad because I know today is her laundry day and that means she's wearing her old lady underpants. | |
| Chandler | I can check that for you... | |
| Monica | I just can't believe that you think you and Chandler know me and Rachel better than we know you. | |
| Chandler | Well, we do. You can only eat Tic Tacs in even numbers. | |
| Joey | Yeah, what's that about? | |
| Chandler | And you Ross I believe if you check Rachel's bag you will find a half-eaten box of cookies in there. | |
| Ross | You're good. These are not. | |
| Rachel | So not interest everybody snacks when they shop | |
| Monica | Yeah! | |
| Joey | Oh yeah. Ross how many items left in that bag? | |
| Ross | Five. | |
| Chandler | Okay, ten bucks says that we can name every item in that bag. | |
| Rachel | How many guesses do you get? | |
| Joey | Six. | |
| Ross | Challenge extended. | |
| Monica | Deal. | |

| | | |
|-----------------|--|--|
| Ross | Challenge accepted. | |
| Joey | All right we'll start with apples. | |
| Ross | We'll be starting with apples. | |
| Chandler | Stop that now! | |
| Ross | Yes. | |
| Joey | Okay uh tortilla chips, yogurt... | |
| Chandler | Diet soda... | |
| Ross | Yes, yes, yes... | |
| Chandler | Orange juice! | |
| Rachel | No, there's no oranges in there – we win! | |
| Ross | They have another guess. | |
| Rachel | Okay, well we won that one. | |
| Joey | Okay, the last thing. | |
| Chandler | Oh! | |
| Joey | No, not for like another two weeks. | |
| Chandler | I got it - scotch tape! | |
| Ross | How did you know she would buy scotch tape? | |
| Chandler | Well, we used up theirs last night making scary faces. | |

| Sheldon | Hmm the problem appears to be unsolvable. | |
| Raj | Maybe you could run some computer simulations. | |
| Howard | There are too many variables. It would take forever. | |
| Leonard | We've got to be missing something. Let's start again. The movie is playing here at 7:20 here except here 8:10 here 8:45. | |
| Sheldon | All right...these theaters have to be eliminated. | |
| Leonard | Why? They're state of the art, digital projection, 20 channels, surround sound... | |
| Sheldon | Yes, but they have no icy machines, despite my aggressive letter-writing campaign, I might add. | |
| Raj | What about the multiplex? The seats are terrific. | |
| Sheldon | They have Twizzlers instead of red vines. No amount of lumbar support can compensate for that. | |
| Leonard | Well, it's gonna take at least an hour to eat and I don't see a Sheldon approved restaurant proximate to a Sheldon approved theater. | |
| Raj | We could eat after the movie. | |
| Sheldon | Unacceptable. The delay would result in tomorrow morning's bowel movement occurring at work. | |
| Raj | Hang on, hang on...there's a 7-eleven here. We smuggle Slurpies, which are essentially ices in, under our coats, after having a pleasant meal either here, here, or here. | |
| Howard | Wow, I don't see how we missed that. | |
| Sheldon | Excuse me: in what universe are Slurpies, ices? | |
| Raj | That's how we missed it. | |
| Leonard | Sheldon: would you be prepared, on a non-presidential basis, to create an emergency ad hoc slurpy-icy equivalency? | |
| Sheldon | Oh Leonard, you know I can't do that. | |
| Howard | Okay, I guess we only have one option. | |
| Raj | Yep, I don't see any way around it. | |

| | | |
|----------------|--|--|
| Leonard | Bye, Sheldon. | |
| Howard | See ya! | |
| Raj | Later dude. | |
| Sheldon | They're right, it was the only option. | |
